experience

Product Designer, DESIGNATION Labs

June 2015 - September 2015 | Chicago, IL

Learned fundamentals of UX, UI, and front-end development through 3-month bootcamp. Developed digital product from scratch by working with real-world clients and implementing user-centered design (UCD), agile development, and Lean Startup methodologies.

Director of Marketing & Operations, Fractured Prune

March 2014 - May 2015 | Phoenix, AZ

Launched Fractured Prune Doughnuts Arizona, opened 5 stores in 1 year. Created customer-focused systems to effectively manage and motivate employees. Responsible for the recruitment, interviewing, hiring, and termination of all employees. Produced all marketing material, social media content, email campaigns, press release copy.

Clinical Interventionist, Southwest Autism Research & Resource Center

June 2013 - February 2014 | Phoenix, AZ

Led social skills classes for children and adults diagnosed with autism spectrum disorders (ASDs.) Worked with employment-ready adults by mock interviewing, résumé-building, job-hunting, and on-site job-training.

Strategy Intern, Heartbeat Ideas

May 2012 - August 2012 | Los Angeles, CA

Analyzed website performance, conducted consumer/competitive analyses, and wrote on advertising/marketing trends.
